Caring For Creatures is a 501(c)(3) not-for-profit foundation dedicated to caring for homeless animals and enhancing the human-animal bond by:

- Providing a safe and healthy environment in which to rescue, rehabilitate, and re-home abandoned, neglected, abused, or otherwise homeless dogs and cats;
- Creating a lifetime home, if necessary, for animals that are elderly, disabled, and/or have a chronic condition requiring specialized care, and;
- Promoting programs and policies that will help to stem the number of animals entering care facilities through education and awareness, promotion of spaying and neutering, and community involvement.

The sanctuary was established in 1988 and is located on 157 beautiful and secluded acres in central Virginia. CFC is dedicated to providing individualized care to the 200+ animals who reside within the friendly confines of the sanctuary. Our adoption program has been successful in placing 85% of the dogs and 64% of the cats into loving homes. CFC also provides a permanent home for many "special needs" animals or those of advanced age.

Calls for rescues of all kinds are increasing exponentially, and CFC continues to need additional funding and support in order to care for its existing animals, run an effective and successful adoption program, and continue to assist animals in need.

_____ My check is enclosed. _____ Please charge my credit card each month for my pledge.

_____ Visa _____ MasterCard _____ Discover Amount: \$ _____
 Card No. _____ Exp. Date _____
 Signature _____
 (Please provide address on credit card account if different from above.)

You're invited to become a CFC Provider!

A Provider is an individual who pledges to financially support one or more "staples of life" each month for the sanctuary dogs and/or cats.

These "staples of life" include dog and cat food and cat litter. On average, the monthly expense just for these supplies ranges between \$2,000 - \$2,500, depending on the number of animals in residence.

At CFC we choose to purchase as high a quality of food for our animals as we can. Rarely do animals arrive at the sanctuary in robust health; in fact, usually it is just the opposite. It is imperative that we provide them with nutritious meals to first restore their health, and then to maintain it.

It is our experience that what we do not spend for healthy food, we will, at some point in time, spend in veterinary care.

Listed below are the "staples of life" we purchase every month along with the quantity needed and our cost for each one.

DOG FOOD (Dry)

\$17.00/ 40 lb. bag
20 Bags/month needed
Cost: \$340

DOG FOOD (Canned)

\$14.00/case (24 cans)
15 Cases/month needed
Cost: \$210

CAT FOOD (Dry)

\$14.50/18 lb. bag
28 Bags/month needed
Cost: \$406

CAT FOOD (Canned)

\$11.00/case (12 cans)
60 Cases/month needed
Cost: \$660

CAT LITTER

\$5.00/30 lb. bag
100 Bags/month needed
Cost: \$500

Note: Excludes special diet needs and extra costs related to the arrival of kitten and puppy litters.

Becoming a **PROVIDER** is easy! Select which item(s) you would like to provide with your monthly tax-deductible donation from the list at the left. Complete the form on the reverse and return to Caring For Creatures.

Mealtime is one of the most highly anticipated activities here at the sanctuary. As a provider, you will be directly contributing to the overall health and well-being of the animals in residence. Please choose to be a **PROVIDER** because...

...a healthy animal is a happy animal!
